

REMARKS

Claims 1 - 13, 15 - 18, 20 - 23, 27, 29 are pending in the application. Claims 10, 14, 19, 24-26, and 28 are cancelled.

Claims 1-23, 27, and 29 have been rejected under 35 USC 112, first paragraph, by the Examiner as not being enabled for "solvates". The term "solvate" has been deleted from the claims rendering this rejection of the claims moot.

Claims 23 and 27 have been rejected under 35 USC 112, first paragraph, by the Examiner as failing to comply with the enablement requirement with respect to the phrase neurological diseases. Claim 27 has been amended making this rejection of the claim moot.

Claims 2, 10, 19, and 29 have been rejected under 35 USC 112, second paragraph by the Examiner for the following:

- a. insufficient antecedent basis for "heterocyclyl" in R¹ of Claim 2;
- b. Claim 10 is vague and indefinite as not being further limiting;
- c. vague and indefiniteness of "E1-E198" in Claim 19;
- d. the phrase "such as" renders Claim 29 vague and indefinite.

In response thereto, Applicant has amended as follows:

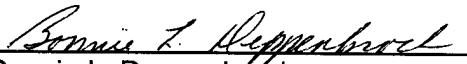

- a. "heterocyclyl" in R¹ of claim 2 has been deleted.
- b. Claim 10 has been cancelled.
- c. Claim 19 has been cancelled.
- d. The phrase "such as" has been deleted in Claim 29.

In view of these amendments, this rejection of the claims is now moot.

It is respectfully submitted that the present application is in condition for allowance. An early consideration and Notice of Allowance are earnestly solicited.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge any fees or credit any overpayment, particularly including any fees required under 37 CFR Sect 1.16 or 1.17, and any necessary extension of time fees, to deposit Account No. 07-1392.

Respectfully submitted,
